FREQUENTLY ASKED QUESTIONS

What does the event include?

Private use of the facility, skate rentals, and the rink sound system are included with all rentals. Additional perks can be added as part of a package or à la carte.

Can we bring our own food?

Absolutely! Outside food is welcome at private events. Bring your own or onsite catering can be arranged from a preferred vendor. No BYOB.

What happens if it rains?

We'll work with you to reschedule or adjust the event. Sunny days are our specialty, but we've got a plan for every scenario.

What if someone can't skate?

No problem! We offer protective gear and skate mates (walkers on wheels) for beginners. For guests who prefer not to skate, they can enjoy the arcade, the bar or the games area.

How many people can attend?

Our facility can hold up to 300 people. We advise no more than 150 on the skating rink at a time.

What extras can we add?

Professional DJs, photo booths, arcade play, skate instructors and more are available to enhance your event.
