

THE BEST STEM FIELD TRIPS IN SAN DIEGO ARE AT

FIELD TRIP SUPPORT GUIDE

Thank you for chaperoning this field trip — your presence is vital to making it safe, smooth, and unforgettable! At Ringer's, we bring the fun and energy — but it's engaged chaperones like you who make it all possible.

REQUIRED RATIO
1 CHAPERONE: 8 STUDENTS

WHY ENGAGED CHAPERONES MATTER

We rely on you as the boots on the ground. Our staff can't do it alone — we need your active help to ensure every child is safe, supported, and set up for success.

Here's how you'll help:

- Supervise 1 table group during the STEM activity
- Redirect unsafe behavior or disruptions of the lesson
- Assist with lacing up skates and fitting safety gear
- Offer supervision, support, encouragement throughout the 3-hour experience

RINGER'S ROLLER RINK 6060 FEDERAL BLVD. SAN DIEGO, CA 92114

ROLES & DUTIES OF FIELD TRIP CHAPERONES

DURING THE STEM ACTIVITY

Our educator will lead the entire STEM learning session, but we need your support to make it effective.

You'll be assigned to one table group (approx 8 students) and will:

- Help keep your group focused and attentive
- Quiet students when it's time to transition between activity stages
- Guide your table group through designing and testing phases
- Ensure safe use of the supplies provided. ie. proper use of scissors

DURING ROLLER SKATING

The students will be given 90-120 minutes for lunch and roller skating. Depending on the size of your field trip, the students may be split up into two groups.

How you can help:

- Assist with lacing up skates and fitting safety gear for the children from your table group
- Supervise during skating and lunch time
- Redirect unsafe behavior and report any injuries to staff

WHAT TO WEAR

Closed-toe shoes and socks. Dress in layers, we're outdoors. Hat and water bottle.

IMPORTANT EXPECTATIONS

Photos and videos are always welcome. Otherwise, we do ask that you stay off your phone unless it's urgent. We need your full attention on the students. Do not leave the facility at any time during the field trip. Chaperones must remain onsite and available throughout the experience.

FINAL NOTE

We're so thankful for your time and presence — this day is better because you're part of it. When chaperones are present, engaged, and proactive, everything runs smoother — and the kids remember it for years.
